

## Dress Code Guidelines

Dress code guidelines have always been a part of Grad Nite at the *Disneyland*® Resort. Ties, jackets, skirts and heels were once the mainstay of the Grad Nite experience; however, over the years the dress code has evolved to keep up with the current fashion and trends and to make everyone more comfortable to enjoy this great celebration.

The dress code and prohibited items list have been established to ensure a safe event for Students and Chaperones. It is ultimately the school's responsibility to ensure that all Students and Chaperones adhere to the Grad Nite dress code upon arrival.

Please note some individual schools' dress code policies may be stricter than that of the *Disneyland*® Resort.

**We highly suggest** that all schools/organizations should conduct their own Security and Dress Code screening prior to departure and arrival at the *Disneyland*® Resort for faster and smoother processing once at the Main Entrance.

Please refer to the dress code guidelines and prohibited items list on the next page.

### **Things to remember:**

- It is ultimately the school's responsibility to ensure that all Students and Chaperones adhere to the Grad Nite dress code.
- Failure to follow the dress code may result in delayed admission and/or denial of admission to the Grad Nite event.
- *Disneyland*® Resort Security has the right to refuse admission to anyone they deem inappropriately dressed for the event.
- All apparel must be in good condition (excessively ripped or torn jeans, shirts, etc. are prohibited) and extremely revealing clothing is not allowed.
